

## TRACEZ TRAINING CALENDER 2021

Sl.No	Program titles	Dates	Duration Days	Mode of Delivery
<b>January</b>				
1	Fundamentals of Oil & Gas Operations and Economics	03-07	5	Live Online
2	Operation & Maintenance of Substations	05-07	3	Live Online
3	Pipeline Operation & Integrity Management	10-14	5	Live Online
3	API 510 – Pressure vessel inspector certification preparatory course	16-21	6	Live Online
5	Principles & Practices of Competence Assessment - City & Guilds (Level 3) 6317-30	19-21	3	Live Online
6	Electrical Safety Training & Assessment - CEP/AEP Certification	27-29	3	Live Online
<b>Febraury</b>				
7	Storage tanks: Design, Construction & Maintenance	01- 05	5	Live Online
8	Artificial Lift systems -ESP, Beam Pumps & Gas Lifts: Operation, Troubleshooting & Optimisation	07 - 11	5	Live Online
9	API 570 – Pipeline inspector certification preparatory course	13-18	6	Live Online
10	Business Communication & Report writing skills	21-23	3	Live Online
11	Internal Verifier - Level 4 from City & Guilds	22-25	4	Live Online
12	Workplace Effective Engagement	26-28	3	Live Online
<b>March</b>				
13	Train The Trainer- CPD	01 - 05	5	Live Online
14	OPITO -Certified Competence Assessor	03 - 05	5	Live Online
15	Alarm Systems Management for engineers & technicians	08 - 10	3	Live Online
16	Fundamentals of Oil & Gas Operation and Economics	08 - 12		Live Online
17	RBPSM- Risk Based Process Safety Management	14-18	5	Live Online
18	API 653 – Storage tank inspector certification preparatory course:	21-26	6	Live Online
19	Gas Conditioning & Processing Systems – Wellhead to shipment	21- 25	5	Live Online
20	VFD - Variable Frequency drives: Operation & Maintenance	28-30	3	Live Online
<b>April</b>				
21	Gas Compressors & Pumps : Design, Operation , Controls & Trouble shooting.	04 - 08	5	Live Online
22	Workplace Effective Engagement	04 - 08	5	Live Online
23	LPG/Butane Production plant Operation & optimisation	05 - 07	3	Live Online

Sl.No	Program titles	Dates	Duration Days	Mode of Delivery
24	CLDP - Certified Learning & Development Professional	11 - 15	5	Live Online
25	Process plant: Commissioning, Start up & Performance Monitoring	18 - 22	5	Live Online
26	Fiscal Metering & Custody Transfer	25- 29	5	Live Online
27	Behaviour Based Safety skills for Managers	26 - 28	4	Live Online
28	API 1169 – New pipeline construction inspector certification preparato	25-29	5	Live Online
<b>May</b>				
29	Fundamentals of Water treatment & Steam generation systems	02-06	5	Live Online
30	Take Charge of yourself- Leadership Skills for Middle level Managers	03-05	3	Live Online
31	Compliance, Risk & Governance Management	03-06	4	Live Online
32	Corrosion Controls & Material Selection For Oil & Gas Industries	09-13	5	Live Online
33	Principles & Practices of Competence Assessment - City & Guilds	11 - 13	3	Live Online
34	Gas lift Systems: Design, installation, operation & trouble shooting	17 - 19	3	Live Online
35	Certified Competence Assessor-OPITO	17-21	5	Live Online
36	Fundamentals of Reservoir Simulation (Modelling) Engineering	23-27	5	Live Online
37	API 580 – Risk based inspection certification preparatory course:	23-26	4	Live Online
<b>June</b>				
38	HR Analytics - Unblock The HR	01-03	3	Live Online
39	CLDP - Certified Learning & Development Professional	06-10	5	Live Online
40	Process Isolations & Vessel entry- Lock out/Tag out procedures.	13-15	3	Live Online
41	Pipelines: Design, Construction, Operation & Integrity Management	13-17	5	Live Online
42	Heat Transfer & Heat Exchangers : Types , Operations & trouble shooting	20-24	5	Live Online
43	Safe working on LV& HV electrical Systems-	27-29	3	Live Online
42	API TES – Tank entry supervision certification program:	28-30	3	Live Online
<b>July</b>				
44	Enhanced Oil Recovery & Reservoir Simulation	04-08	5	Live Online
45	Oil Production - Reservoir to Export	11-15	5	Live Online
46	HR Analytics - Unblock The HR	13-15	3	Live Online
47	Certified Lean Practitioner	18 - 22	5	Live Online
48	Train The Trainer - CPD certified	19 - 22	4	Live Online

Sl.No	Program titles	Dates	Duration Days	Mode of Delivery
49	DCS, PLC & SCADA Systems: Calibration, troubleshooting & Maintenance	25-29	5	Live Online
50	API 571 corrosion & materials inspection:	25-28	4	Live Online
<b>August</b>				
51	Competency Identification, Development, Assessment & Certification for Industries	01-05	5	Live Online
52	QA/QC Engineer Certification	02-05	4	Live Online
53	Process Instrumentation & Control systems	08-12	5	Live Online
54	Mass & Heat transfer fundamentals- Distillation, Absorption & Stripping systems	15-19	5	Live Online
55	Business communication, Report writing & Presentation Skills	17-19	3	Live Online
56	Process plant : Commissioning, Start-up & Performance Monitoring	22 - 26	5	Live Online
57	Gas Turbines: Fundamentals, Maintenance, inspection & Troubleshooting	23-26	4	Live Online
58	Behaviour Based Safety skills for Managers	29-31	3	Live Online
59	API 570 – Pipeline inspector certification preparatory course	20-25	6	Live Online
<b>September</b>				
60	Installation, Testing & Troubleshooting of Electrical Equipment & Accessories	05-07	3	Live Online
61	Finance for non financiers	05-09	5	Live Online
62	Train The Trainer - CPD UK.	13-17	5	Live Online
63	Inventory & Logistics Management	14-16	3	Live Online
64	Certified Recruitment Professional	20-23	4	Live Online
65	HSE Tools & Systems for Oil & Gas	26- 30	5	Live Online
66	API 570 – Pipeline inspector certification preparatory course	20-25	6	Live Online
<b>October</b>				
67	Static Equipment : Inspection & Maintenance	03-07	5	Live Online
68	Heat Exchangers & Furnaces: Design, Operation & Troubleshooting	10-14	5	Live Online
69	Reading Electrical Drawings & Control Circuits	17-19	3	Live Online
70	Employee Engagement Skills	18 - 21	4	Live Online
71	Water Treatment & Boilers : Operation & Optimisation	24 - 28	5	Live Online
72	API 653 – Storage tank inspector certification preparatory course:	25-30	6	Live Online
<b>November</b>				

Sl.No	Program titles	Dates	Duration Days	Mode of Delivery
73	Safe Working on LV &HV Electrical System	01-03	5	Live Online
74	Fundamentals of Oil & Gas Operations & Economics	07-11	3	Live Online
75	Boiler Operator - Certification Program	14- 18	5	Live Online
76	Fiscal Metering & Custody Transfer	21-25	5	Live Online
77	Contracts Management	22 - 25	4	Live Online
78	Trouble shooting of Process Plant Equipment & Systems- RCA based	22 - 25	4	Live Online
79	API 1169 – New pipeline construction inspector certification preparato	22 - 26	5	Live Online
<b>December</b>				
80	OPITO - Cmpetence Assessor Certification	05 - 07	3	Live Online
81	Power Generation , Transmission, & Distribution Systems- Best Practices	05-09	5	Live Online
82	NLP- Neuro Linguistic Program	12-16	5	Live Online
83	Certified Lean Practitioner	19-23	5	Live Online
84	Buisness Communications, Report Writing & Presentation Skills	21-23	3	Live Online
85	CHAP - Certified HR & Admin Professional,CPD UK	20 -31	10	Live Online
86	Electric Motors : Operation & Maintainence	28- 30	3	Live Online
87	API 580 – Risk based inspection certification preparatory course:	15-19	4	Live Online
